1. The timely submission under 37 CFR 1.129(a) filed on 2/28/05 is not fully responsive to the prior Office action because the Applicant did not respond to the election of species requirement set forth on p. 4 of the Office Action. Since the submission appears to be a *bona fide* attempt to provide a complete reply to the prior Office action, applicant is given a shortened statutory period of ONE MONTH or THIRTY DAYS from the mailing date of this letter, whichever is longer, to submit a complete reply. This shortened statutory period supersedes the time period set in the prior Office action. This time period may be extended pursuant to 37 CFR 1.136(a).
